

ASSISTANCE PROGRAM FOR LAC-MÉGANTIC

**CANADIAN
RED CROSS
QUÉBEC**

UPDATE - JULY 2014

DESCRIPTION OF THE ASSISTANCE PROGRAM FOR LAC-MÉGANTIC

The Red Cross Assistance Program is designed to complement government help and items covered by insurance policies held by program recipients.

The program is intended not to replace losses, but to address basic necessities such as shelter, food, clothing, personal care items, baby supplies, physical and psychological care requirements, transport, and job related and business resumption needs. It also covers the specific needs of workers who have lost

their jobs, grieving families, and children who have lost one or both parents. Priorities for the type of assistance offered will first and foremost address the needs of the most vulnerable.

One component of the program is devoted to stimulating the local economy and promoting the community's recovery.

People served	Emergency phase \$300,000	Short-term recovery phase Estimate: \$7,700,000 (2013-2014)	Long-term recovery phase Estimate: over \$6,5 million (2014 and subsequent years)
